

Elite Camel

Essential Skin and Coat Supplement

Reg No. 2006/020486/07 Act No. 36 of 1947

ELITE CAMEL ESSENTIAL SKIN AND COAT SUPPLEMENT: A powdered complementary feed supplement to help maintain the skin's natural defences. Scientifically formulated skin and coat care supplement using the latest known and tested ingredients including Essential Fatty Acids, Vitamins E and H as well as Zinc and Methionine. Elite Camel Essential Skin and Coat Supplement is formulated for all ages and breeds of Camels for a perfect Skin and Coat. Allergens and skin irritation are inevitable in Camels, and the ageing process will eventually lead to degeneration of the skin and coat. A scientific approach maintains top skin and coat condition using the best technology is critical for the maintenance of the protective skin from wear and tear, and maintenance should start before any clinical signs.

- Helps maintain healthy skin
- Helps manage conditions of itchy, dry and red inflamed skin as well as scaly, thick skin and eczema
- Helps increase the skin's defences
- Puts lustre and body back to the coat
- Highly bioavailable Zinc Chelate for maximum conditioning
- Essential Fatty Acids aid maximum maintenance of skin and coat condition
- Antioxidant Vitamins A and E to help the skin manage oxidation from pollutants, allergens and the harsh environment
- Betaine helps to prevent dehydration as it is an excellent osmoregulator and helps hydrate the cells of the skin and coat
- Helps repair damaged skin and coat
- Helps reduce hair loss and controls shedding
- Helps resist external parasitic infestations
- Helps resist skin infections
- Conditioning formulation helps reduce skin odours
- Essential Omega-3 Fatty Acid helps to manage inflammatory skin conditions
