

Elite Pet

ELITE PET SCOUR-EX

Registration No. V23777 Act No. 36 of 1947

Scour-Ex is a scientifically formulated replenishing, dietetic feeding stuff, designed to assist in the management of water, electrolytes and essential minerals during nutritional stress in Cats & Dogs. Scour-Ex contains natural fibers, pre-biotic, nucleotides and easily absorbed Glucose, Complex Carbohydrates, 1, 2 – Propandiol and easily absorbed Fatty Acids.

- ENERGY: 4 types of energy giving ingredients to help replenish critical energy reserves
- PREBIOTICS: which have been shown to enhance the natural gut micro flora profile
- ELECTROLYTES: Promotes the absorption of electrolytes and Glucose compounds thus aiding fluid balance
- NATURAL FIBERS: help to retain more fluids in the body/gut and "line" the Gut from further damage
- NUCLEOTIDES: that encourage natural immunity, function, villi condition and mucosal integrity for more efficient nutrient absorption
- Vitamins A & E: that enhance immune function
- Zinc and Copper: that replenishes minerals lost
- No need to withdraw milk from the animal
- Assists in reducing frequency and severity of digestive stress conditions
- Nutritional aid to help reduce the duration, frequency and severity of nutritional digestive stress conditions

APPLICATION

When diarrhea is observed, add 5g (one scoop) of Scour-Ex mix with food or water, repeat if required later in the day. Do not feed more than two doses per animal. If condition persists consult your veterinary surgeon.

ENSURE CLEAN DRINKING WATER IS ALWAYS AVAILABLE.
