

Elite Equine

Turbo Boost Paste

Reg No. V26331 (Act 36 of 1947)

ELITE EQUINE TURBO BOOST PASTE: Scientifically formulated paste supplement for boosting energy levels of Race Horses, Show Jumpers, Polo Horses, Endurance Horses and Racing Greyhounds, without heating up.

- Formulated on a base of Specialized Fatty Acids from natural sources
- Specially designed for endurance, racing and high energy spending events
- A unique form of natural dietary Fatty Acid
- Assists in the management of muscle fatigue
- To help restore the energy balance post racing and spares catabolism of muscle cells to aid recovery after exercise
- Helps spare breakdown of proteins for energy
- Specially formulated for maximum bioavailability and utilization via a paste formulation
- Multi-energy ingredients
- Rapidly absorbed
- Mitigates negative energy balance
- Contains L Carnitine, Creatine and Trimethyl Glycine for maximum event performance
